

# How Will You Repurpose Meeting Rooms?

## Reduce Occupancy of Enclosed Spaces

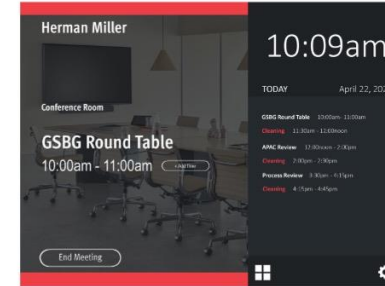

- No furniture changes
- May require chair storage

● Seat can be occupied – 6' diameter

**Meeting Room A**  
10 seats to 4 seats

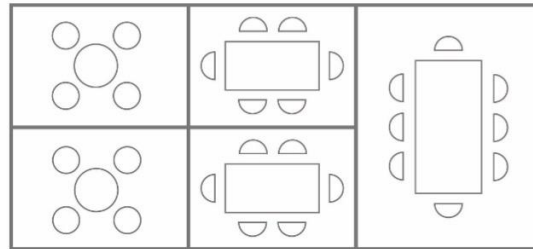

**Meeting Room B**  
6 seats to 3 seats

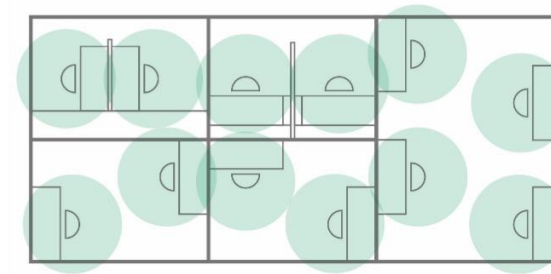

**Scheduled Cleaning Protocol**  
Between each meeting

## Alternative Applications

- Furniture adjustments required
- Increased floor density per day

**Existing Meeting Rooms**

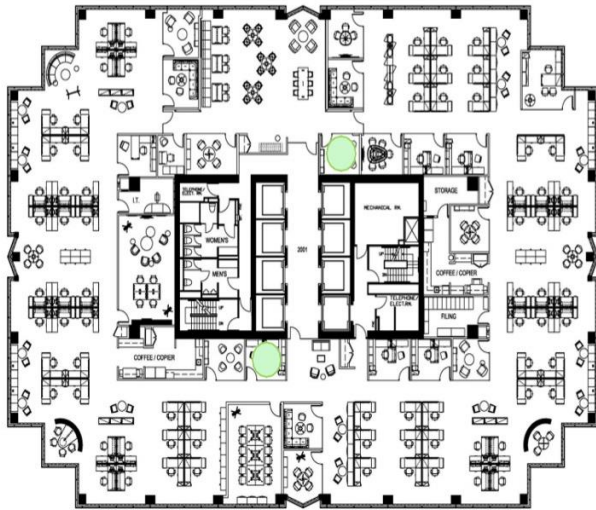

**Convert to Workpoints**  
12-seat exploration

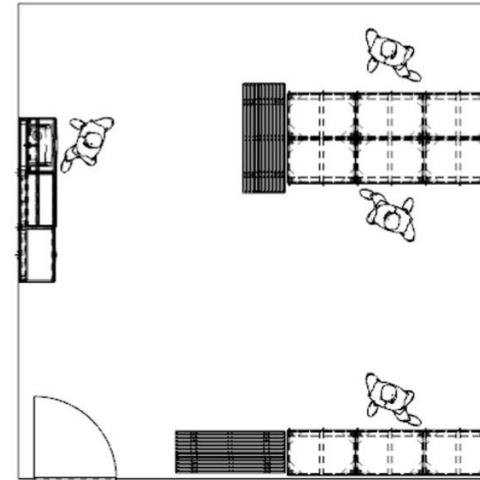

# How Will You Repurpose Meeting Rooms?

## Convert to Sanitizing and Storage Rooms

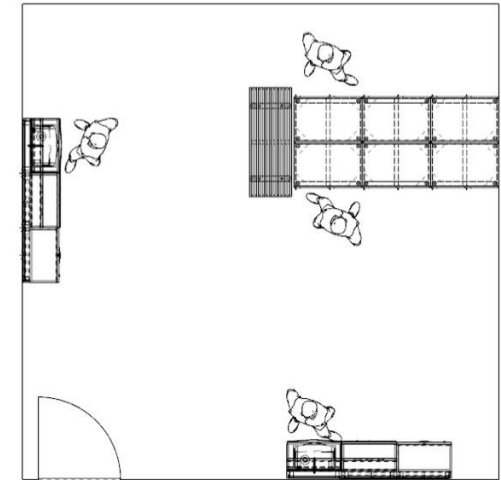

- Lockers for storage before entry or exit
- Sanitizer station options
- Bench seating

 **Sanitizing Areas**  
Near Building Entrance or Elevator Lobby

**Room Option A**  
2 sanitizing stations and lockers

**Room Option B**  
1 sanitizing station with lockers
